

Burn it down

The Fire is the remedy that makes your body live
A wire is the key to make the bomb so effective
All you know can be washed away by crumbling walls so near
On the run you cause fear

Bridge:

The firewall is a part of what you need
The city hall was the push that makes you breathe
One spark is all that can start the wave of heat

Chorus:

Burn it down
Burn it down
Burn it down
Burn it down

Push the button - only a few seconds to the ball
Feel the heat - destruction of a building so tall
Taste the smoke - covers all your crazy little mind
Black of soot - just a love that makes you blind

Bridge:

Chorus:

Solo:

Chorus:

Never stop - won't you ever come to the end of pulling down
Never fear - rising so high yet so far to the ground
When you raise the flag of giving up to all
Purifying - the fire lets you reach „The hall
of Fame“

Bridge:

Chorus:
