

When I die

Intro

Sitting alone on an empty cloud
lookin' down on you and the livin' crowd
thinking of the good time we had

when talked about the problems we had
when we cried and our feelings were bad
and told us we should better don't be sad

Chorus:

And when the day comes when I die (I said)
I want never see you cry

I want that you play paradise city
and all the girls just smile and look pretty
and all of you just smile while you remind me

Chorus:

Solo:

I'm not away I'm still in your hart
and for me it is a brand new part
of livin' in a better world

Chorus #2:

and when the day comes when you die,
We meet again and happiness makes us cry

Chorus:

Chorus #2:

Chorus:
